- ACLS Certified – August 14<sup>th</sup>, 2023
- Board Certified in Ankle Surgery by American Board of Foot and Ankle surgery (ABFAS) – May 2020
- Board Certified in Foot Surgery by American Board of Foot and Ankle Surgery (ABFAS) – June 2019
- Board Certfii
- BLS: July 2017
- ACLS: July 2017
- Certified in STAR<sup>TM</sup> Total Ankle Replacement – September 12, 2016

- American Board of Foot and Ankle Surgery (ABFAS) Forefoot and Reconstructive Rearfoot/Ankle Boards Part I Didactic and CBPS Examinations – Passed – May 2016
- Board Qualified in Forefoot and Reconstructive Rearfoot/Ankle Surgery – May 2016
- FPMB PMLexis Part III: Passed – December 2014
- NBPME Boards Part II: Passed – January 2013
- NBPME Boards Part I: Passed – July 2011

## **PUBLICATIONS AND PRESENTATIONS**

Ehredt, DJ, Kawalec J, Ligas, C, Seidel J, Benson B, **Reiner MM**, Connors J. The Lapidus Arthrodesis: Examining the Effect of the Metatarsal Base Transfixation Screw. *J Foot Ankle Surg.* Mar-Apr 2021;60(2):333-338

ProMedica Symposium on Advancing the Standards in Wound Care and Hyperbaric Medicine

- Lecture: “Management of Diabetic Foot Ulcers with CTPs – 5/2023

ProMedica Symposium on Advancing the Standards in Wound Care and Hyperbaric Medicine

- Lecture: “Use of CTP in the Healing of DFUs – 5/2021

ProMedica Symposium on Advancing the Standards in Wound Care and Hyperbaric Medicine

- Lecture: “Emerging Concepts in Charcot.” – 5/17/19

ProMedica Symposium on Advancing the Standards in Wound Care and Hyperbaric Medicine

- Lecture: “Diagnostic Dilemma Between Charcot and Osteomyelitis.” – 5/11/18

ProMedica Physician Group Health and Wellness Monthly Educational Series

- Lecture: “Diagnosis and Management of Diabetic Charcot Neuroarthropathy.” – 1/10/18

**Reiner MM**, Sharpe JJ. The Role of the Accessory Malleolar Ossicles and Malleolar Avulsion Fractures in Lateral Ankle Ligament Reconstruction. *Foot Ankle Specialist* 2017; Online Access

**Reiner MM**, Khoury WE, Mackel A, Ehredt DJ, Razzante MC. Reconstruction After Osteomyelitis of the Midfoot From High-Pressure Washer Injury 2017; In Press, Corrected Proof

**Reiner MM**, Khoury WE, Canales BM, Chmielewski RA, Patel, K, Razzante MC, Clougherty CO, Rowland DY. Procalcitonin as a Biomarker for Predicting Amputation Level in Lower Extremity Infections 2017; *J Foot Ankle Surg* 56(3): 484-491

ACFAS Region 13; Ohio Valley Resident e-Journal Club: Achilles Tendinosis

- Guest Speaker – 5/30/2017

2017 6<sup>th</sup> Annual National Foot and Ankle Fellowship Meeting

- Lecture: “Procalcitonin and Predicting Amputation.” – 5/20/2017

2017 ACFAS Annual Scientific Conference Poster Presentation

- “The Role of the Accessory Malleolar Ossicles and Malleolar Avulsion Fractures in Lateral Ankle Ligament Reconstruction” – 2/27/16

2016 Northern Ohio Foot and Ankle Foundation Winter Scientific Conference

- Lecture: “Fibular Avulsion Fracture Significance.” – 12/10/2016

2016 NEOAPM Fall Classic Super Saver Seminar

- Lecture: “Procalcitonin and Its Role in Diagnosing Infection.” – 10/28/2016
- Lecture: “Acute Joint – Differentiating Infection from Inflammation.” – 10/30/2016
- Session Moderator – Wound Care and Diabetic Management – 10/30/2016

2016 ACFAS Annual Scientific Conference Manuscript Presentation, Award of Excellence Finalist

- “Can Procalcitonin be used as a Biomarker for Predicting Amputation Level in Lower Extremity Infections?” – 2/11/16

13<sup>th</sup> Annual Desert Foot Conference and the Abstract Poster Competition, 1<sup>st</sup> place

- “Can Procalcitonin be used as a Biomarker for Predicting Amputation Level in Lower Extremity Infections?” – 11/20/15

3<sup>rd</sup> Annual Association of Indian Physicians of Northern Ohio Research Showcase

- “Can Procalcitonin be used as a Biomarker for Predicting Amputation Level in Lower Extremity Infections?” - 10/24/15

Save a Leg, Save a Life Cleveland Chapter Fall Meeting

- Limb Salvage in Diabetic Neuropathic Ankle Fracture – 10/1/15

Canales MB, Huntley H, **Reiner M**, Ehredt DJ, Razzante M. The Popliteal Nerve Block in Foot and Ankle Surgery: an Efficient and Anatomical Technique. J Anesth Clin Res 6:1-7, 2015.

- Publication in Journal of Anesthesia and Clinical Research

2015 KSUCPM and Student ACFAS Chapter Residency Recruitment Seminar

- Complex Limb Reconstruction from Charcot Ankle Varus Deformity – 8/25/15

99<sup>th</sup> Annual OFHAMA Seminar: Gerard V. Yu Scientific Paper Competition, 2<sup>nd</sup> place

- “Can Procalcitonin be used as a Biomarker for Predicting Amputation Level in Lower Extremity Infections?” - 6/4/2015

Annual St. Vincent Charity Medical Center Research Day Competition, 1<sup>st</sup> place

- “Can Procalcitonin be used as a Biomarker for Predicting Amputation Level in Lower Extremity Infections?” - 5/20/2015

KSUCPM Podiatric Association for Diabetes Workshop

- Limb Salvage Presentation using NPWT - 4/22/15

St. Vincent Charity Medical Center Radiology Conference July 2013 to June 2016

- Weekly Case Presentations

2013 14th Annual NWOAPM Scientific Seminar

- Resident Case Report Presentation, “OM of 1<sup>st</sup> TMTJ from High Pressure Washer.” - 1/16/2013

2013 NEOAPM Fall Classic Super Saver Seminar

- Morning of the Bizarre, “OM of 1<sup>st</sup> TMTJ from High Pressure Washer.” - 10/27/2013

Kent State College of Podiatric Medicine

- Grand Rounds Lecture, “Fixation.” - 8/20/2012
- Grand Rounds Lecture, “Bone Defect Options.” - 1/31/2013

## **COMMUNITY SERVICE**

July 2013 – July 2016

Project Hope

- Monthly foot care and screenings for community members unable to have access to proper medical care

## **TEACHING EXPERIENCE**

July 2017 – September 2023

Mercy Health Podiatric Medicine and Surgery Residency Program, Toledo, Ohio

- Adjunct teaching faculty

July 2017 – September 2023

University of Toledo College of Medicine, Toledo, Ohio

- Adjunct teaching faculty

July 2017 – present

Kent State University College of Podiatric Medicine, Independence, Ohio

- Adjunct teaching faculty

July 2017 – September 2023

Podiatry Grand Rounds Mercy Health Podiatric Residency Program, Toledo, Ohio

- Case presentations

July 2016 – July 2017

Mercy Health Regional Medical Center, Lorain, Ohio

*Teaching Faculty*

- Provided teaching opportunities and surgical cases for podiatric residents

August 2010 – 2013

Kent State College of Podiatric Medicine
